420 Hand-Drawn Cannabis Strains

Every CryptoStrain is a unique 1/1 individually handdrawn artwork, algorithmically generated.

Over a period of more than three years, the Japan and Switzerland based creative studio PAPRIKO Ink. created hundreds of real world cannabis strain artworks.

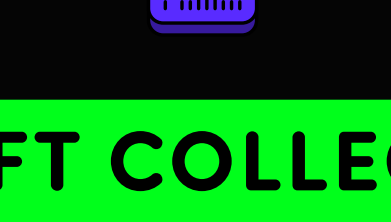

420 of these artworks will be released as minted NFTs on the Ethereum blockchain.

The NFTs are released via auction on OpenSea.

Auctions take place every 2 Weeks and last for XXd/h.

7 CryptoStrains per Auction are released.

Biding starts at 0.5 ETH.
